Compact, Efficiently Designed Cash Drawer

Designed around a full size till, the narrow footprint of the Series 100 minimizes the amount of counter space required. Ample storage in a deep under-till compartment holds coin rolls and packaged currency. An adjustable media slot divider separates and organizes different media types. With features including steel ball bearing slides and a robust latch mechanism, the Series 100 is proven beyond 4 million cycles. A durable design and the resilient powder coat finish resist the abuse in even the toughest environments. Size, color, interface, accessory and configuration options complete the Series 100 solution and contribute to APG's reputation as the preferred choice amongst cash drawers
