Accessories to Complement your Standard Duty Cash Drawer

APG accessories include tills, till covers, weighable coin cups and under counter mounting brackets. Additional tills help reduce the time it takes to make shift changes and provide integrity for each clerk by placing them responsible for their own till. Till covers offer increased security when the till is transported from the POS workstation. Under counter mounting brackets provide a secure mounting system and free up counter space. Constructed of the highest quality materials, APG accessories are built to withstand the toughest environments.
